

Route 2 Capital Partners is a private investment firm providing flexible junior capital solutions to lower middle market companies, primarily in the southern United States. The firm maintains offices in Charleston and Greenville, South Carolina.

Our team brings extensive investment, transactional, and operational knowledge. With 100+ collective years of industry experience, Route 2 Capital Partners ("R2CP") combines its financial strength with its diverse operational expertise to create strong partnerships with portfolio companies.

The partners' long-term relationships and ability to reliably deliver innovative capital solutions uniquely position R2CP as a value-added investment partner. R2CP seeks to provide its limited partners with superior risk-adjusted returns, and the partners' proven track record of identifying and strengthening established, profitable, and growing companies with strong management teams favorably positions R2CP to realize attractive exit opportunities.

WHY R2CP

Relationships: R2CP strives to become a trusted, dependable partner in each transaction. R2CP leverages its existing industry networks and focuses on value creation in each company to maximize investment returns.

Experience: R2CP's cohesive team has tenured experience across a range of investment structures. R2CP brings a unique blend of private equity, credit, and operational expertise and experience with customized capital solutions to its portfolio companies.

Flexibility and Speed: R2CP moves quickly and efficiently during the transaction process to tailor debt and equity financing to lower middle market companies. R2CP thoughtfully originates, structures, and executes transactions to satisfy all involved.
