

Job Position: Senior Analyst

Job Description: Route 2 Capital Partners (“R2CP”) seeks to hire a full-time **Senior Analyst**, primarily responsible for evaluating new investment opportunities and monitoring existing portfolio investments. The **Senior Analyst**, an integral part of the investment team, will be a highly motivated, critical thinker with financial modeling proficiency and strong credit, communication, and analytical skills.

Objectives:

- Work independently and on small, dedicated teams.
- Perform the following accurately, reliably and in a timely manner: industry analyses, financial modeling, comparable credit analyses, preparation of discussion materials and investment memorandums, marketing support, and ad-hoc special projects.
- Participate in on-going investment and portfolio management; specific portfolio responsibilities include analyzing monthly financial statement packages, maintaining up-to-date tracking and covenant compliance models, and providing continued due diligence and support to the team to ensure that fund return objectives are achieved.
- Regular and direct interaction and collaboration with R2CP team members.

Skills for Success:

- Detail-oriented, self-starter with strong time-management skills, personal accountability, the ability to work independently in a fast-paced environment, and the ability to juggle multiple tasks concurrently.
- Excellent verbal and written communication skills with the ability to speak and write clearly and concisely.
- Strong analytical and accounting skills with the ability to build detailed financial models.
- Strong interpersonal, organizational, and relationship-building skills.
- Proficient with Microsoft Office, Excel, PowerPoint, and CRM systems.

Required Experience:

- One to two years minimum post-undergraduate professional experience focused on principal investing in corporate finance or private equity, or in investment banking; lower middle market mezzanine investing experience a plus.
- Bachelor’s degree with a strong track record of academic and personal achievement.
- Location: Greenville or Charleston, South Carolina.

About R2CP: R2CP is a private investment firm with offices in Greenville and Charleston, South Carolina. R2CP provides flexible junior capital solutions to lower middle market companies, primarily in the southern U.S., and the firm’s partners possess over 100 years of combined investment, transactional, and operational experience. R2CP invests in established companies with minimum annual revenues and EBITDA of \$10 million and \$2 million, respectively, that generate predictable and profitable cash flows. The firm’s investment proceeds are used to execute growth and expansion plans, support business recapitalizations, and facilitate management buyouts, and R2CP primarily reviews opportunities in niche manufacturing, consumer products and services, and specialty distribution.

At R2CP, intellectual honesty, institutional discipline, and a commitment to listening are core pillars of our daily business, and our collective experience, analysis, and expertise drive positive outcomes and results.
